**Unauthorized Access**

Jamaica Police Co-operative Credit Union Limited (JPCCU) strictly prohibits unauthorized use or access of the JPCCU's websites and systems, which includes but is not limited to unauthorized entry into JPCCU's systems, misuse of passwords, or misuse of any information posted to the website or unauthorized manipulation of the data contained. As a user, you acknowledge that JPCCU may disclose and transfer any information that you provide through this Website to: Any department branch or agency within JPCCU, or its agents or representatives; Any other person or entity with your written consent; or Any person or entity permitted by law to request and receive the information. Access to JPCCU's websites.

Access to and use of this website may be monitored, tracked and recorded. Anyone using this website or any other JPCCU website expressly consents to such monitoring, tracking and recording. In accessing this site you agree and consent to the transmission, transfer or processing of such information to, or through, any country in the world, as deemed necessary or appropriate.

A user name and password is required to access the internet banking feature. Each user is responsible for the transactions effected on his account with the use of the username and password through Internet banking.

Users are advised not to write down the password and username in the same place. The Credit Union should be contacted immediately at 1-(876) 922-6682 or any other number that the Credit Union may publish from time to time if you have reason to believe that your username and password have been compromised.

I ..... agree to the terms and conditions governing the use of the Jamaica Police Co-op Credit Union Ltd. Internet Banking System.
